paying now. The APL population will pay 100% of the economic cost of foodgrains as against 77% and 81% being paid now for rice and wheat respectively. These measures will come into effect from 1.4.2000. The Government has also decided to increase the prices of sugar from Rs. 12.00 per Kg. to Rs. 13.00 per Kg. w.e.f. 1.3.2000. Sugar will now be distributed under the PDS to the population who are not Income Tax Assesses. There is no increase in prices of Kerosene to be distributed under PDS.

(c) For wheat & rice, the BPL families will have a net saving in their family food budget, since the monthly quota will be raised from 10 Kgs. to 20 Kgs. with effect from 1.4.2000. In case of sugar, the average per head, per month quota of levy sugar would now be 454 grams as against 375 grams before 1.1.2000. The average availability of sugar under PDS would increase by 79 grams per head, per month. Hence, in case of sugar, the impact on BPL will be nominal.

Increase in PDS Quota of States

1686. DR. MOHAN BABU: Will the Minister of CONSUMER AFFAIRS AND PUBLIC DISTRIBUTION be pleased to state:

(a) whether it is a fact that many Slate Governments have requested the Union Government to increase the quota for Public Distribution System; and

(b) if so, the details thereof during the last one year and the action taken by Government?

THE MINISTER OF STATE IN THE MINISTRY OF CONSUMER AFFAIRS AND PUBLIC DISTRIBUTION (SHRI SHRIRAM CHAUHAN): (a) and (b) Demand for the Public Distribution System (PDS) commodities, which are subsidised, is generally higher than the allocations made by the Government of India and requests are received from the States/Union Territories from time to time for enhancing their allotments.

Foodgrains:

Issue of foodgrains under the Public Distribution System (PDS) is dependent on the quantum of procured foodgrains. Out of the total quantum available in addition to issue under PDS. buffer stocks at prescribed norms have also to be maintained and certain commitments like issue of foodgrains

under Midday Meal scheme are also to be fulfilled. PDS is not a substitute for the open market but only a supplement to it. Details of the demands received from the States/ UTs during 1999-2000 for increase in the allocation of wheat and rice and decision taken by the Government is given in the Statement-I *(See* below)

Levy Sugar:

Requests for enhancement of monthly levy sugar quota had been received from various Stales. But it had not been found possible then to enhance the allocation of sugar under the PDS for Stale Governments/UTs by linking it to a more recent population figure. The Government of U.P., Gujarat, Haryana, Rajasthan. Assam, Mizoram, Kerala, Andhra Pradesh and Tamil Nadu had been informed of this position.

However, w.e.f. 1.3.2000 the Government has decided to allot levy sugar to State Governments/UT Administrations on the basis of the projected population as on 1.3.2000. Accordingly, the March, 2000 allotment of levy sugar is being enhanced. With effect from 1.4.2000, the income-tax assesses and their family members will be excluded from the PDS coverage of sugar and therefore, there will be reduction in the monthly quota of levy sugar.

Kerosene:

Allocation of Kerosene is made on historical basis, i.e., past year's supplies plus additional allocation out of increase given at national level. Kerosene is a deficit product. Requests are received from State Governments for increase in their allocation of kerosene from time to time. However, on account of constraints of product availability, foreign exchange and heavy subsidy involved, it is not possible to meet fully such demands always; possible increase, however, is given, out of the additional availability at the country level, in accordance with a formula, under which higher allocation out of additional quantity, is given to States with lower per capita- availability, so as to reduce inter-state disparity over a period of time.

Edible Oil:

Demand allocation and lifting of edible oil for the year 1999-2000 State-wise is given in the Statement-II.

Statement-I

Details of the demand's received from the State/UTs during 1999-2000 for increase in the allocation of wheat and rice decision taken by the

Government

S.No. States/UTs		Demand Made	Decision Taken
1. Andhra Pradesh	29.4.99	Addl alloc, of 1.00,000 MT rice for natural calamities	Not agreed to
2. Arunachal Pradesh	16.7.99	Enhancement of monthly quota by 4,900 MT rice and 5,400 MT wheat per-month for PDS	Not agreed to
3. Assam	(i) 9.4.99	Addl, alloc, of 20.000 MT rice for flood relief	20.000 MT rice allotted
	(ii) July' 99	Enhancement of present allocation by 30,640 MT rice and 21,700 MT wheat for PDS	Not agreed to
	(iii) 21.10.99	Enhancement of TPDS monthly quota by 50.000 MT rice and 21,700 MT wheat	Not agreed to
	(iv) 16.11.99	Enhancement of wheat quota by 30300 MT wheat	Not agreed to
season in Dec. 99 at APL rate.	(v) 29.12.99	Allotment of 10.000 MT wheal per month	Not agreed to. However, a qty. of 10.300 MT wheat allotted to the State for festival
	(vi) 10.2.2000	Restoration of alloc, of wheat to 20,300MTwheal per month.	Under consideration
4. Bihar	25.5.99	Addl, alloc, of 1.95.000 MT wheat for flood relief	1,00,000 MT Wheat allotted
